Although Whistler is a little bit out of the way, it's worth the trip. The closest major airports are Vancouver International (YVR), a 2.5 hour drive to Whistler; Seattle-Tacoma (SEA), a 5 hour drive; and Bellingham International (BLI), a 3 hour drive. There are various transfers and shuttles from these airports to Whistler. You can get to Whistler directly by helicopter or float plane. Visit: whistler.com/blog/post/2022/01/26/how-to-get-to-whistler/ for complete information.

All sessions will be held at the Fairmont Chateau Whistler. Plan for a General Session starting time of 8:30 am on July 17 and adjournment at noon on July 19. Trustee events will start on Tuesday night, July 15. We have discounted rooms at six hotels throughout Whistler, all within walking distance of the Fairmont, our headquarters hotel. Complete information is below. This will be the Foundation's first time in Whistler, and our Canadian programs are always incredibly popular. Please reserve early to get your first choice at substantially discounted rates!

To receive our special conference rates, you must book using the instructions below. For those wishing to extend their trip, hotels are offering our conference rates up to three days before and after the program, based on availability. Room prices do not include taxes and various tourism charges. Cut-off dates for our discounted rates vary by hotel, so please make your reservations soon. See the Whistler hotel map on the last page of this brochure.

All resort and destination fees are waived if you book in our blocks unless otherwise noted. Taxes are not included. Once hotels sell out, room prices will increase dramatically! All rates are in Canadian dollars with approximate U.S. dollar equivalents as of July 1, 2024. **Many of these hotels charge for stays if cancelled after allowable cancellation dates. Make sure you know the terms of your reservation!**

The current U.S Government per diem rate in Whistler is \$221(USD). **Most of our negotiated rates are lower!**
